UNSTAD's Forecasts of Economic slowdown in India

354. SHRI A. G. KULKARNI:
DR. BAPU KALDATE:
SHRI VISHWASRAO RAMRAO PATIL:

Will the Minister of COMMERCE be pleased to state:

(a) whether his attention has been drawn to Express news-item dated the 15th September, 1991 captioned "UNCTAD forecasts economic slow down in India";

(b) if so, whether suggestions in the UNCTAD report particularly on trade related aspects of "TRIPS" are being properly looked into with the country's interest at the forefront; and

(c) what are the approach plans of Government to stop economic slow down on account of trade balance?

THE MINISETR OF STATE OF THE MINISTRY OF COMMERCE (SHRI P. CHIDAMBARAM): (a) Yes, Sir.

(b) The report reflects the concern already voiced by several developing countries including India in the area of TRIPS.

(c) The Government has introduced a package of trade policy reforms aimed at strengthening of export incentives, eliminating substantial volume of import licensing and optimal import compression. REP licences have been replaced by a new instrument named Eximscrips. These will be the means of obtaining access to certain categories of imports of raw materials, components and spares. The system of advance licensing as an instrument of export promotion has also been strengthened. Government has decided to allow established exporters to open foreign currency accounts in aproved banks and allow exporters to raise external credits. pay for export related imports from such accounts and credit export proceeds to such accounts. Besides, Government have taken other steps which include reducing controls through licensing, simplification of procedures for exports, activisation of Board of Trade, bilateral discussion with selected countries, interaction with national organisations of trade and industry, etc.
